Dear Sir:

Applicants, in accordance with their duty of disclosure pursuant to 37 C.F.R. §1.56, hereby advise the United States Patent and Trademark Office of the references listed on the accompanying Form PTO/SB/08 *Information Disclosure Statement by Applicant*. The references cited herein were cited in a European Search Report in a counterpart European application. The Search Report was received less than three months from the date of this Supplemental Information Disclosure Statement.

Applicants believe the Information Disclosure Statement fully complies with the disclosure requirements of 37 C.F.R. §§ 1.56, 1.97, and 1.98, inasmuch as under the revised rule 37 C.F.R. § 1.98 there is no requirement for Applicants to explain the relevance of the references cited in an Information Disclosure Statement unless those references are not in the English language. The relevance of any foreign language reference, if any, is indicated in the English abstract or English translation thereof. Note that U.S. Patent No. 5,489,653 and EP 0 561 722 A1 claim priority to the same French application. U.S. Patent No. 5,489,653 is cited herein as the English language counterpart to EP 0 561 722 A1, which is not in English

Applicants note that although the cited references may be relevant to the examination of the above-referenced application, under 37 C.F.R. § 1.97(h), the filing of this Information Disclosure Statement "shall not be construed to be an admission that the information cited in the statement is, or is considered to be, material to patentability as defined in § 1.56(b)."

Applicants further note that the filing of this Information Disclosure Statement is not an admission that the references cited herein constitute prior art under 35 U.S.C. §§ 102-103 with respect to the captioned application. Applicants reserve the right to establish the scope of the invention, as defined by the claims, the patentability of the claimed invention over any of the information provided herein, and/or to provide that this information may not be prior art, and/or to prove that the information may not be enabling for the teachings purportedly offered.

Applicants submit that no fee is necessary for consideration of this  
Information Disclosure Statement.

Respectfully submitted,
